ProCopia Consulting is always available to help you with planning a fundraising strategy, developing or planning new programming, creating annual reports for institutional and individual donors, and many other services. ProCopia has decades of experience in obtaining grant funding for organizations of every size and across a wide range of geographic areas and service sectors. For information, please visit [ProCopiaConsulting.com](http://ProCopiaConsulting.com).

# Why ProCopia? Why Now?

It often makes sense to outsource very labor-intensive aspects of your workload. The ProCopia team has years of experience with nonprofits and their funders in all fields. By combining our understanding of your organization's mission and goals with thorough, systematic research and an understanding of foundation priorities, we can help your organization create a successful fundraising strategy. Why not let our experience, diligence, research, and skills work for you?

Throughout implementation of our strategy, the ProCopia team will work with you to assemble the elements of competitive grant proposals. Our writers can help you make your most compelling case based on current foundation interests and priorities. We can help you back up your arguments with statistical data and assist you with the process of defining your evaluation methodology.

If you are poised to move to the next level, but lack the funds for full time fundraising staff, ProCopia's services are a great way to go.
